The IC-Asia Pacific

Build a strong narrative for Asian Pacific art scene

The IC-Asia Pacific was launched in 2018 to support the acquisition of major artworks from the region.

IC-Asia Pacific members gather during three meetings a year with their **referent curators** and the **Museum Director** to discuss artist perspectives and artwork proposals to enrich the collections.

Thanks to the IC-Asia Pacific, several major artworks entered the collections of the *Musée national d'art moderne*, including works by Lee Kit, internationally renowned for his immersive and atmospheric installations, as well as contemporary masterpieces by Zhou Tao and Ming Wong.
